Since ECCO wants to make this course as attractive for the participants as possible, we limit the general number of participants for each ECCO Member Country to 2 in order to provide for a more interactive atmosphere. Three seats will be open for countries with a population of over 50 million people (this includes: Italy, France, Germany, Russia, UK and Turkey). We do however encourage you to send in 1-2 back-up nominees in the event of cancellations.

Minimum criteria for nominees:

- *ECCO Member status (2016)*
- *Trainees at least in their third year with preferably one year GI experience*
- *Should demonstrate a sufficient level of English to follow the course*

Nomination process for candidates from ECCO Country Member states:

- The participants are selected in their country, by a national system left to the responsibility of the ECCO National Representatives of each ECCO Member Country.
- The National Representatives submit their nominations with a **CV** (containing full contact details, position and information about their hospital affiliation) and a letter of intent of each candidate:
- Deadline of receipt of nominations from ECCO National Representatives: **September 11, 2015**
- Nominated candidates will be informed about their application status by **the beginning of October**.

Nomination process for candidates from outside of Europe:
