

ECCO Call for Nominations of Participants for the 16th N-ECCO School

Deadline for nominations is September 11, 2024

At the 20th Congress of ECCO in Berlin, on **February 19, 2025** the N-ECCO Committee will host the educational activity for IBD Nurses, [N-ECCO School](#), for the 16th time. ECCO intends to give nurses, who might still be in training and have an interest in IBD, the possibility to attend an IBD-focused course. The ultimate aim of this programme is to improve nurse education throughout Europe.

We are pleased to confirm that in 2025 we are once again welcoming **dietitians** to participate at the N-ECCO School, as the involvement of dietitians in the treatment of patients is an important part. We also would like to provide **delegates from outside of Europe** with the possibility to attend this course focusing on the basic aspects of IBD.

Nomination process for IBD Nurse candidates from ECCO Country Members:

The call for nomination of participants will be sent out to all N-ECCO National Representatives in May 2024.

Interested candidates are encouraged to apply for nomination via the **N-ECCO National Representative of their country.**

In order to get their contacts, please get in touch with the [ECCO Office](#). A maximum of 72 places is reserved for the participation of IBD Nurses. N-ECCO National Representatives are welcome to send in multiple nominations, which need to be ranked according to priority.
