

Dear ECCO Members,

Once more I would like to reach out to you in order to inform you about the latest news related to ECCO's e-Learning platform.

Four brand new <u>Talking Heads</u> videos that were recorded at the ECCO Autumn Meetings are now freely available online; these videos cover the following topics:

Additionally, you can watch four new <u>Skills Videos</u> that focus mostly on surgery, an area in which we are trying to broaden our educational material. Furthermore,

you can also find a new Skills Video on the topic of skin side-effects of anti-TNF. The topics are as follows:

ILEOCAECAL CROHN'S DISEASE REFRACTORY TO MEDICAL THERAPY

Yves Panis S-ECCO Chair

ILEOCOLIC RESECTION IN CROHN'S DISEASE

Michel Adamina S-ECCO Member

In addition, keep an eye out for the launch of the **ECCO e-Guide 2.0** which is planned in early next year and just in time for the annual ECCO Congress in February. The e-Guide 2.0 will feature updated and integrated IBD scores and calculators with accompanying explanatory videos, a revamped section on therapeutic interventions, and new disease treatment algorithms.

Stay tuned and don't miss out on the ever expanding e-Learning world of ECCO.

Yours truly, Peter Irving.
