Dear ECCO Members,

Once more I would like to reach out to you in order to inform you about the latest news related to ECCO’s e-Learning platform.

Four brand new Talking Heads videos that were recorded at the ECCO Autumn Meetings are now freely available online; these videos cover the following topics:

- **FAecal Microbiota Transplantation**
  - Ailsa Hart
  - Peter Bossuyt
  - Francesca Rosini
  - Geert de Hertogh

- **Practical Use and Monitoring of Tofacitinib**
  - Peter Irving
  - James Lindsay
  - Naila Arebi
  - Valerie Pittet

Additionally, you can watch four new Skills Videos that focus mostly on surgery, an area in which we are trying to broaden our educational material. Furthermore, you can also find a new Skills Video on the topic of skin side-effects of anti-TNF. The topics are as follows:

- **ILEOCaecal Crohn’s Disease Refractory to Medical Therapy**
  - Yves Panis
  - Michel Adamina

- **ILEocolic Resection in Crohn’s Disease**
  - Yves Panis
  - Michel Adamina
In addition, keep an eye out for the launch of the **ECCO e-Guide 2.0** which is planned in early next year and just in time for the annual ECCO Congress in February. The e-Guide 2.0 will feature updated and integrated IBD scores and calculators with accompanying explanatory videos, a revamped section on therapeutic interventions, and new disease treatment algorithms.

Stay tuned and don’t miss out on the ever expanding e-Learning world of ECCO.

Yours truly,
Peter Irving.
