

Dear ECCO Members,

I hope you and your families are well and you are looking forward to spending the Christmas holidays together, as far as this is possible.

In case you missed or would like to re-watch some of the content from the ECCO'21 Virtual Congress that took place last summer – we kindly ask you to visit our e-Library, where all of the recordings can be found.

I would like to present you with the latest additions to the [ECCO's e-Learning platform](#) for you to have a look at during the festive season. Check out the most recent [Educational Audio Podcasts](#) covering the following topics:

- [COVID and IBD](#) - Hannah Gordon (GuiCom)
- [Histology \(Stride target\)](#) - Fernando Magro (ECCO Education Officer)
- [Lemann score validation](#) - Gionata Fiorino (ECCO e-Taskforce Member)
- [Telemedicine and home monitoring](#) - Johan Burisch (Y-ECCO Chair)
