Call for Nominations of Participants at the 18th IBD Intensive Advanced Course

The **18th ECCO Intensive Advanced Course in IBD** for residents, fellows in gastroenterology and junior faculty will take place in Vienna, Austria, on **February 12-13, 2020** just prior to our next Congress. We are pleased to inform you that the [Preliminary programme](#) of this course is already available.

Since ECCO wants to make this course as attractive as possible for the participants, we limit the general number of participants for each ECCO Member Country to 2 in order to ensure a more interactive atmosphere. Three seats will be open for countries with a population of over 50 million (this includes: Italy, France, Germany, Russia, UK and Turkey).

Minimum criteria for nominees:

- **ECCO Member status (2020)**
- **Trainees at least in their third year with preferably one year GI experience**
- **Should demonstrate a sufficient level of English to follow the course**

Nomination process for candidates from ECCO Country Member states:

Candidates who are interested should contact their respective national representatives well in advance.

(Find your national representatives' contact information:
<https://www.ecco-ibd.eu/downloads/general-assembly.html>**)**

The participants are selected in their country, by a national system left to the responsibility of the national representatives of each ECCO Member Country.

The National Representatives submit their nominations with a **letter of intent of each candidate** (containing full contact details, position and information about their hospital affiliation).

Deadline for receipt of nominations from ECCO National Representatives: **September 2, 2019.**
